

**JONES
ASSOCIATES**
Foresters, Surveyors and
Environmental Consultants

OPEN HOUSE

We look forward to sharing some updates about the work we do at Jones Associates and Heatek Energy, and showing you our new biomass pellet boiler. Visit our office, find out how to improve your home, business or facility's energy efficiency with local renewable energy.

Representatives from Revision Energy will also be here to answer questions about our new solar installation.

Thursday February 16

2-6:30 pm
